

ACCOMMODATIONS LIST 2008- Please book early.

Due to the lack of response from crafters booking rooms in advance most of the hotels are reluctant to reserve blocks of rooms for group rates. We have also had exhibitors tell us they received better rates online or through online booking sites. Instead we are publishing the names, phones and web addresses of local hospitality along with a scale:

\$- inexpensive (under \$85), \$\$- moderate (\$85 > <\$120), \$\$\$-expensive (>\$120)
